

## AxSun product and performance guarantee

There are a lot of good reasons to install pv-panels made by AxSun Solar. With our state-of-the-art production process and using high quality components we manufacture our highest quality panels. Due to consolidated knowledge, experience and our qualified staff you will get the best possible service through the whole process of consulting, planning and realization of your photovoltaic plant.

Because you will be convinced by the quality, we grant to you in addition to the product warranty lineare performance warranty on our photovoltaic modules:

### AxSun glass-foil modules

AxSun series: premium, premium sol, performer

- **15 years product guarantee**  
on products with tempered safety solar glass
- 10 years product guarantee on premium products with ARC tempered safety solar glass (anti-reflection coating)
- **25 years linear performance guarantee**
- Performance guarantee of 97,5% in the first year
- Linear performance guarantee from the second year with a maximum output reduction of no more than 0,7% over a 25-year period
- AxSun guarantees 91,2% of the performance in the 10th year
- AxSun guarantees 80,7% of the performance in the 25th year

### AxSun glass-glass modules

AxSun series: infinity, GGM, GGL

- **30 years product guarantee**
- **30 years linear performance guarantee**
- Performance guarantee of 97,5% in the first year
- Linear performance guarantee from the second year with a maximum output reduction of no more than 0,345% per year
- AxSun guarantees 80,7% of the performance in the 30th year

The following graph shows how obvious you get your profit out of the linear performance guarantee in comparison to the typical standards in line with the industry.
